

Who we are

Créadore is founded on a professional insight to service global hospitality sector for bed and bath linen solutions.

Beirholm, one of the parent company, has been developing textiles since 1870 and is market leader of providing linen to industrial laundry in Europe.

Sapphire, the other joint owner, has more than 40 years of experience in textile production. One of the leading textile companies with over \$800 million turnover and 20,000 employees.
